

# Miss Lambert's Classroom Newsletter

September 30, 2009

We are reading *Caps for Sale* by Esphyr Slobodkina this week. Just a reminder: we will be celebrating this book by having "cap" or hat day tomorrow (10-1-09). If possible, please send a hat or cap with your student tomorrow.

I have been attaching a homework note along with the homework frog stamp to any homework we have. From now on, I will just be putting the homework frog stamp on any homework we have. Therefore, please look for this frog homework stamp on any uncompleted work and return the next day. Thank you so much!!!

I am sending home October's book order and captain schedule. Book orders will be due Thursday, October 8<sup>th</sup>.

10-30-09 Friday	No School 8:00 – 12:00 P/T Conferences
10-31-09 Saturday	Cole & Paige's Birthday

## Language

We have been very busy working on writing letters and learning their sounds. We have learned:

B A T P S M O  
C

We are also reading!! Each student has a "bag of books." We spend time each day reading books from this bag together, in small groups, and individually.

We are also learning high-frequency words that occur frequently while reading. Students need to be able read these words. We have learned:

a for is me see the  
an at I am you be  
can he she we

Last week our vocabulary was: sizzle, seasons, beneath, abandon, & survive. This week our vocabulary is: primary, secondary, mix, stir, peddler, cap, wares, & imitate. Be sure to ask students to tell you what these words mean.

## Math

We just finished our unit on sorting and graphing. Our next math unit will be on exploring patterns.

We also have been working on numbers. We practice writing numbers 1-10. We also count by 10's each day to 100. These are both skills students can practice at home!
