Language

We have been very busy working on writing letters and learning their sounds. We have been working with short u (bug, fun, etc...) words. Our recent vocabulary words include: invertebrates, rust, arthropods, exoskeleton, insects, thorax, antennae, abdomen, honeybee, colony, queen bee, worker bee, drone, and pollinate. Be sure to ask your student what these mean!

We are also learning high-frequency words that occur frequently while reading. Students need to be able to read these words. High-Frequency words are listed on back of the newsletter.

We are reading and writing about books from our bag of books. Be sure to ask your student to tell you about what they are reading and predictions they are making.

Math

We are now working on addition and will soon begin subtraction. Practice these skills at home!

We are still counting by both 10's and 5's to 100 and by 2's to 20.
