Language

Just a reminder our field trip is next Friday May 21st. We are going to visit Fire Station One in Springfield, McDonalds for lunch, Washington Park (weather permitting) and then the News Channel 20 station.

I want to thank the TPA for all their great support throughout the year and providing us with a wonderful teacher appreciation last week. Thanks so much for all you do!

We finish up the year with a science unit on ocean animals. We have been learning about sea horses, dolphins, and sharks. Be sure to ask your student to tell you some facts we are learning. During this unit, I will read to the class my all time favorite book *Dear Mr. Blueberry* by Simon James.

Our recent vocabulary words include: larva, pupa, chrysalis, transparent, omnivore, carnivore, herbivore, and hibernate. Be sure to ask your student what these mean!

The complete list of all the high-frequency words we have learned throughout the year are listed on the back of the newsletter.

We have begun sending home any paper books we have read throughout the year. Students should be familiar with these books, so have them read them to you! Remember to read over the summer!!
