

To the Parents/Guardians of Seniors:

Enclosed is information regarding your options for using senior pictures for the yearbook and class composite (poster-sized board of all seniors that is displayed in the foyer of the school). Please note that only pictures taken by Mr. Dave Miller will be on the class composite. Mr. Miller does the composite at no cost for the school, but does require that the pictures be taken by him. The yearbook staff will accept pictures taken by other photographers for the yearbook, as long as the picture specifications are followed and pictures are turned in by the December 1st deadline.

In addition to senior pictures, seniors will be asked to provide baby pictures and some other information (listed below) by December 1st. The yearbook staff cannot guarantee that any information or pictures turned in after the deadline will be included in the yearbook. Baby pictures will be returned to the student after they have been scanned.

Yearbooks are \$45.00. Seniors can choose to have their name stamped on the cover of the book. The cost for this would be an additional \$5.00. If you did not order a book during registration, you can order online through Walsworth or from the yearbook staff later in the year.

Please call or e-mail if you have any questions. The school number is 632-3216, and my e-mail is msorrells@porta202.org.

Sincerely,

Monica Sorrells
PORTA Sphinx Adviser
