Language

We have been very busy working on writing letters and learning their sounds. We have learned:

B A T P S M O
C R L U N

We are also learning high-frequency words that occur frequently while reading. Students need to be able read these words. We have learned:

a for is me see the
an at I am you be
can he she we and are
like but down not on up
us

Last week our vocabulary was: wee, huge, porridge, caring, & frightened. This week our vocabulary is: family, home, community, state, country, citizen, & trail. Be sure to ask students to tell you what these words mean.

Math

We just finished our unit on patterns. Our next math unit will be on exploring numbers to 5.

We are still working on writing numbers 1-10 and counting by 10's to 100. These are both skills students can practice at home!
