

Miss Lambert's Classroom Newsletter

November 30, 2009

The Tallula Christmas music program will be on Monday, December 14th at 7:00 in the high school auditorium. The kids are working hard and it should be a wonderful program!!!

We would like to thank the TPA for providing the school with Ice Cream Sundaes last week. They were delicious!

Our class holiday party will be on Tuesday December 22nd beginning at 12:30 in our classroom. We will do a small gift exchange. Girls should bring a gift appropriate for a girl and boys bring a gift appropriate for a boy. Please send the wrapped gift to school anytime before Tuesday the 22nd. We have set a limit of \$2.00 to \$3.00.

Language

We have been very busy working on writing letters and learning their sounds. We have learned:

B A T P S M O
C R L U N I G
D F H W E V Z
X J Q Y

We are also learning high-frequency words that occur frequently while reading. Students need to be able to read these words. High-Frequency words are listed on back of the newsletter.

Last week our vocabulary was: peaceful, equal, and harm. This week our vocabulary is: living & nonliving. Be sure to ask students to tell you what these words mean.

Math

We are working with numbers 6-10. We will be comparing numbers and working with ordinal numbers (first, second, third, etc.) Some students are having trouble with writing numbers 1-10, so be sure to practice!

We are doing well with counting by 10's to 100. Now, we are counting by 5's to 100. Practice Practice Practice!
