

Miss Lambert's Classroom Newsletter

December 15, 2009

All the kids did an amazing job last night. I am so proud of them! Thank you so much for attending the Music Program.

I would like to thank the class for the donations for our angel from the angel tree. We wrapped the gifts for him last week. Again, thanks for your help!

Our class holiday party will be on Tuesday December 22nd beginning at 12:30 in our classroom. We will do a small gift exchange. Girls should bring a gift appropriate for a girl and boys bring a gift appropriate for a boy. Please send the wrapped gift to school anytime before Tuesday the 22nd. We have set a limit of \$2.00 to \$3.00.

Language

We have been very busy working on writing letters and learning their sounds. We have now learned all the letters. We are working on building (spelling) and reading words using these sounds.

We are also learning high-frequency words that occur frequently while reading. Students need to be able to read these words. High-Frequency words are listed on back of the newsletter.

I have been sending home bags of books each week. I really appreciate everyone reading with his/her child and returning the reading log/checklist!

Math

We have begun to work with measurement: length, capacity, & weight. We are still counting by 10's and 5's to 100.

Some students are having trouble with writing numbers 1-10, so be sure to practice!
