Language

Last week we had our own style of Tallula Winter Olympics. Friday we participated in a closing ceremony where Mr. Kesler awarded each student with a gold medal. Then we celebrated with Ice Cream and a game of kickball in which the entire school played. It was a great way to end our celebration of the Olympics!

I am sending home March's captain schedule and book order. Book orders will be due by March 10th. Be sure to check out the book order. I have begun reading chapter books to the class. They really enjoy them. Our book order contains several chapter books!

We have been very busy working on writing letters and learning their sounds. We have been working with short o (fox, mop, etc...) words. Our recent vocabulary words include: curious, doubt, and exhausted. Be sure to ask your student what these mean!

We are also learning high-frequency words that occur frequently while reading. Students need to be able to read these words. High-Frequency words are listed on back of the newsletter.

The books students bring home to read come from our "bag of books." We have begun "reading meetings" where students are adding real books to their bags. These books are at students' reading level, so different groups are reading different books. I am very excited about this new adventure in reading!

Math

We are beginning a new math unit where we will be working with time and money. First, we will learn to tell time to the hour. Then we will learn to count change. Counting change can be a challenge, so please begin practice counting: pennies, nickels, and dimes at home!

We are still counting by both 10's and 5's to 100. We just began counting by 2's to 10. Eventually, we will count by 2's to 20. Also, we still writing numbers 1-20, so be sure to practice this at home!!!
